## Post-Doctoral Research fellow in Economics (Macro-Finance)

The Department of Economics, University of Stellenbosch, is announcing a two-year post-doc position in economics with specialization in Macro-Finance. This position is suitable for a researcher who is interested in working on financial factors in business cycles: asset markets, credit, liquidity, and macro-prudential policy, preferably in the open-economy context (not required).

### Requirements:

- Applicants must hold a doctorate degree in economics or related field before the application deadline
- Priority will be given to the applicant who has research experience in Macro-Finance and DSGE modeling
- Priority will be given to the applicant that has completed his/her PhD degree no later than three years before the application deadline

### Conditions:

- Two-year fixed term, starting from May 1, 2015
- R250,000 per annum, free of tax

### Application process:

Interested candidates are invited to send an application including a CV, proof of doctoral qualification, a motivation letter (including a brief description of specific expertise and a preliminary research plan), job market paper, and the names and contact details of three references by email to: [gliu@sun.ac.za](mailto:gliu@sun.ac.za)

**Closing date:** March 15, 2015

For additional information please contact: Guangling Liu E-Mail: [gliu@sun.ac.za](mailto:gliu@sun.ac.za) or Phone: +27 21 8082238
